

Finance Committee Report

3/04/23

The Finance Committee has not been given any direction from the Board to pursue any Finance Inquiries or Projects for the past nine months; therefore there has not been any meetings.

There will be an upcoming Finance Committee Meeting in April/May to begin the Park Budgeting 2023/2024 process as required by our By-Laws. Stay tuned for details.

Anyone interested in being part of the Finance Committee is welcome. Forms are located in the office or you can contact me.
